April 14-17th, 2010 | Palm Springs, CA | HOTEL ZOSO

General

What happened to CampWest?

The 6 Regional Presidents who represent CampWest voted to not hold a conference in 2010 because the ACA National Conference will be held in the same region. CampWest will be back in 2011! While there is not a CampWest conference in Las Vegas in 2010, there will be a CampWest Conference within a Conference at the National Conference in Denver, Tuesday, February 16 and Wednesday, February 17, 2010. For more information, please visit: <http://www.acacamps.org/conference/campwest.php>.

I'm interested in volunteering for the ACA, Southern CA/HI Spring Leadership Conference. Is there a discount for volunteers, and how do I register?

At this time, there is no registration discount for volunteers. However, volunteers will be entered to win prizes as a thank you for their time and efforts! To become a volunteer, email the ACA office at lupine@ACAsocal.org.

Registration

How many people may I register to receive the group registration rate?

To qualify for the group rate, you may send a group of 2 or more people. If it's cheaper to register individually, that's okay too!

Does registration cover the cost of meals?

To keep conference registration costs down, attendees have asked us not to include meals in the cost of registration. A buffet dinner will be provided in the Exhibit Hall on Friday, April 16th. There is a range of low-cost meal options a block away from Hotel Zoso along Palm Canyon Drive. For restaurant ideas, stop by the registration desk for a list of nearby places to eat.

Can I register for a pre-conference course without registering for the conference?

Absolutely! When registering, select "Wednesday Only - Pre Conference Course". While some preconference courses do have a charge, the standards course is free.

How do I change or add an attendee's name on a registration?

Contact the ACA, Southern CA/HI office at jami@acasocal.org.

I'd like to present a workshop at the conference. How do I sign up?
